

CLASSIC YASS

ROTARY BILLY CART DERBY 2011

Proudly Sponsored by:

Yass First National Real Estate and Essential Energy

Important Pre Event Information

Sign on, registration and inspection of all billy carts will take place in the Bus Depot yard in Rossi Street opposite Banjo Paterson Park.

Car and trailer parking for Billy Cart entrants will be available in Church Street between Rossi and Meehan Streets.

Due to road closures you will need to enter Church Street from Meehan Street.

There is plenty of room on the left hand side of Church street to angle park a car and trailer front to kerb. Please do not block driveways!

Unload your Billy Cart and push it down the hill to the scrutineering area.
Do not ride your Billy Cart

Billy Carts will be inspected by scrutineers for compliance with the rules and then allocated a number.

Once your Billy Cart has a number, you can proceed to sign on with your completed entry form (or forms if more than one category is entered).

At sign on each driver will pay the entry fee and be given a different coloured wrist band depending on what category they have entered.

Remember, if you are under 18 years of age, your entry form must be countersigned by a parent or guardian!

Once you have had your Billy Cart scrutineered and have your wrist band, you may proceed to the top of the hill for your practice runs.

After midday the runs will be timed.
